

National Institutes of Health
Office of Research on Women's Health

Charles A. “Trey” Leath III, M.D., M.S.P.H. (he/him)

Director, Division of Gynecologic Oncology, University of Alabama at Birmingham (UAB)

Senior Scientist, O’Neal Comprehensive Cancer Center, Center for Women’s Reproductive Health, and Center for Clinical and Translational Science, UAB

Ellen Gregg Shook Culverhouse Endowed Chair, Department of Obstetrics and Gynecology, UAB

Dr. Leath is an accomplished physician-researcher with a long-standing interest in clinical trial development and execution. He has served as Chair of the O’Neal Comprehensive Cancer Center’s Protocol Review Committee and Alternate Chair for the O’Neal Clinical Trials Operation Committee. He is Chair of the NRG Cervix Committee, serves on the Editorial Board for *Obstetrics & Gynecology*, and is on the NCCN Ovarian Cancer Treatment Guideline Committee.

Dr. Leath is a graduate of The Citadel and the Medical University of South Carolina. He completed his residency in obstetrics and gynecology and fellowship training in gynecologic oncology at UAB.
